Submitted to His Highness

Mr H J Edwards, Tutor Peter House, Cambridge, has, in his letter dated 26th April, recommended the grant to Mir Basith Ali Khan son of Mr Mir Kamaluddin Ali Khan studying Law in England, of the following additional amounts -

1) £22 - Extension of scholarship for June 1912

2) £50 - On account of extra expenses incurred

and 3) £50 - On account of passage money back to India

Total £122

2 The above has been referred to me for remarks

T

3 Mir Basith Ali Khan was granted a scholarship £200 per annum for 3 years in April 1909, which was subsequently raised to £250 in September of the same year

W

3

further sum of £150 was sanctioned in January 1911 to meet his Bar fees

4 The request for the grant of passage money and outfit expenses has already been declined (vide His Highness' order dated 26th April 1909)

O

5 As regards the present request, the First Councillor is of opinion that the provision already made has been

more liberal than the case warranted and that such part of the present request as may seem suitable may be sanctioned He finds it difficult to make any recommendation

6 I was of opinion that the return passage money may be paid

7 The Financial Department having been consulted, they state that "His Highness' orders are that passage money or outfit expenses should not be paid Perhaps this applies to the return passage also and the reason for the refusal may be that the family is not impecunious and the grant of a scholarship for Law is itself a special concession "

8 I submit the matter for orders Mr Mir Kamalud din Ali Khan has written to me requesting early orders as his son has to make arrangements for his return passage by the end of this month It will be a matter of not unmerited generosity on His Highness' part to graciously sanction the payment of £50 to cover the return journey

Decree as for Board of Research Studies 77/5

Dear Sir,

I have learnt from Mr A K Basu, to my great regret, that his application for an extension of his State scholarship has not been granted by the Mysore Government

Educ 16 5 12

It is not for me to criticise, or to protest against this decision but it is only fair to point out that the cessation of his scholarship must prevent him from taking the LL B degree, and this is the more unfortunate now, because, since he sent in his application about the scholarship last autumn, he has actually passed (in the second class — a good second) one part of the examination for that degree, at considerable expense to himself. The lapse of some six months between the application and the decision naturally encouraged his hopes and stimulated his energies, and his disappointment is all the keener now, because he feels that his efforts to obtain the LL B degree have been wasted

So far as this College is concerned, we should certainly have been glad if Mr Basu had been enabled to complete

the qualifications for the degree, as satisfactory consummation of her studies in Law regret that I did not notify to you at once the fact that he had passed one part of the examination, as this might conceivably have influenced the decision of the Mysore Government on the main question I feel that they scarcely recognize how diligent & conscientious a student he has been

On her behalf I write to make request for certain sums in view of the conclusion of her Cambridge course (1) the State scholarship given in June 1909, ends in May 1912 but the term here does not end till nearly the end of June I ask that he may receive the proportional amount (£22) for June to complete her term & cover its expenses, which include BA degree fees, & so on (2) In connection with the one part of the LL.B. examination for which he sat (& was successful) he incurred extra expenses to the amount of £50 in the circumstances I ask that this sum may be refunded to him, so that he may be able to settle his account with the College in full before leaving England The extra expenses were not rashly incurred, rather they indicate, to my mind the enterprise with which he set out to qualify for the additional degree & the hope that the Mysore Govt would approve

PETERHOUSE
CAMBRIDGE

(3) He requests that the Government, with the favour usually shown to State scholars, will grant him his passage money (£50). I feel no hesitation in recommending the grant in his case, both because he made no such request for his journey to England three years ago, and because his career at Cambridge has certainly justified the most favourable consideration.

May I hope that you will assist his request with your good offices & influence, and that, in view of his rapidly approaching departure from this country, you will seek for the decision in the case as soon as possible?

I am
Yours faithfully
H. J. Edwards
